TERMINAL DISCLAIMER TO OBLIGATE
A DOUBLE PATENTING REJECTION

Commissioner for Patents
Box 1450
Arlington, VA 22313-1450

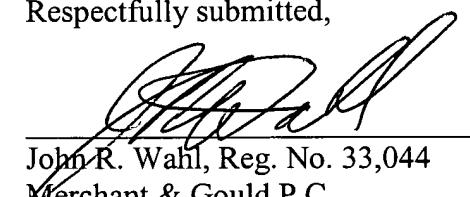

Dear Sir:

Hymore, Inc., a corporation organized and existing under the laws of the State of California and having its primary place of business at, represents that it is the owner of the entire right, title and interest in U.S. Patent No. 6,732,885 and U.S. Patent Application Serial No. 10/608,045, filed on June 27, 2003 and entitled BEVERAGE SUPPLY, by virtue of an assignment, a copy of which is attached hereto.

Hymore, Inc., hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,732,885 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,732,885, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors, or assigns.

In making the above disclaimer, Hymore, Inc. does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the full statutory term as presently shortened by any terminal disclaimer of United States Patent No. 6,732,885, in the event that any such issued patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims cancelled by a reexamination certification, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Respectfully submitted,

John R. Wahl, Reg. No. 33,044

ASSIGNMENT

WHEREAS, I, John H. Mathues, residing at 31645 Canyon Circle, Evergreen, CO 80439, made certain new and useful inventions and improvements for which I filed an application for Letters Patent of the United States on June 27, 2003, application Serial No. 10/608,045 which is entitled BEVERAGE SUPPLY SYSTEM.

AND WHEREAS, Hymore, Inc., a corporation organized and existing under and by virtue of the laws of the State of California, and having an office and place of business at 31645 Canyon Circle, Evergreen, CO 80439 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, I do hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire

right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

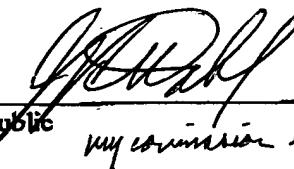

IN TESTIMONY WHEREOF, I have hereunto set my hand this 11 day of
January, 2005.

John H. Mathues
